

Training course:

ISO 9001 Internal Auditor

Who it is for...

This training course is for those who wish to enhance their internal auditing skills with a view to adding value to the business and identify opportunities for improvement. This training course will also include the new requirements included in **ISO 9001:2015**.

Duration and requirements...

- 2 consecutive days (which includes an examination)
- Start time: 8:45am for a 9am start. End time: 5pm
- Attendance and participation of the full course is required
- Each delegate must have a personal original copy of the ISO 9001:2015 Standard

Course schedule...

Day One:

- Course Objectives
- ISO 9001:2015 Summary of New Requirements
- High Level Structure / Annex SL
- Audit Programming
- Auditor Responsibilities
- Pre-audit activities

Day Two:

- Performing the audit
- Reporting the audit, corrective action and follow-up
- Documenting audit findings
- Course examination

"The approach to the Internal Auditor (ISO 9001) training course was very thorough, with a good mixture of group work and tasks to complete relating to our own companies. I can certainly say I have a clearer understanding of the ISO 9001 standard and the confidence of carrying out internal audits and raising awareness across the business"

*Sarah Heald, Business Development
Director, ASG Limited*
